

## Community & Junior College Libraries Section – CJCLS

Report to the NCLA Executive Board, April 2014

---

### Meetings:

- CJCLS has met twice via webinar since the biennial conference: December 3, 2013 & March 18, 2014.
- Future meetings will be conducted via webinar on Tuesday, June 3<sup>rd</sup> and on Tuesday, September 2<sup>nd</sup> at 11:00 am.

### New Business:

- We are currently updating our bylaws which are requiring significant changes. Once the draft has been approved by the CJCLS Executive Committee, it will be sent to the members for discussion. Once members have had a chance to vote on the changes, we will submit a motion to the NCLA Executive Board for approval.
- Catherine Tingelstad has volunteered to be the CJCLS representative on the *NC Libraries* Editorial Board.

### Old Business:

- In order to foster a closer relationship with the North Carolina Community College Learning Resources Association (NCCCLRA), CJCLS purchased a table at their conference which was held at Blue Ridge Community College (April 14-15, 2014). The CJCLS table included handouts about CJCLS (created by Staci Wilson), as well as membership packets to help support the April NCLA membership drive. A picture of the display board was posted to the NCLA Facebook page inviting those in attendance to stop by the table, register for the door prize (\$25 Barnes & Noble gift card), and use the printed membership materials at the table to encourage other community college librarians to join NCLA.
- Julie Humphrey (Durham Tech) has agreed to head up our programs committee. She has identified topics appropriate for a webinar and/or an in-person workshop later this year.
- An email was sent to CJCLS members asking them to please consider promoting CJCLS and NCLA whenever possible. The display board created for use at the NCCCLRA conference table will be available to other CJCLS members for events if needed.

*Submitted by Angela S. Davis (Pitt Community College), CJCLS Chair*
