The GRS Executive Committee met on July 1 at Elon to discuss several key issues, primarily a few proposed revisions to the section bylaws and handbook. The proposed changes were agreed upon, and will be put forward for approval by the NCLA Executive Board and our membership in time for the biennial conference.

Other topics discussed included preparations for biennial. All three GRS-sponsored presentations were approved, and a section business meeting has been scheduled as well. Finally, the executive committee discussed the upcoming section elections. We will need to elect a Vice-Chair/Chair-Elect as well as a Secretary/Treasurer. In addition, we will need to appoint an interim Secretary/Treasurer through October, as Anupama Pal is leaving the state to pursue a professional opportunity at Boston College.

Finally, the section sponsored three additional sessions of the Help! I'm an Accidental Government Information Librarian Webinar series, one each in April, May and June. Lynda Kellam has now begun to archive the series on YouTube, at: <https://www.youtube.com/channel/UC6CfualeU8N77us06prY10Q>. Once again, the section expresses our enormous appreciation to Lynda for the tremendous job she has done with the Help! webinars.
